

SDATA Athletic Training Student of the Year

The purpose of this award is to recognize an athletic training student for their involvement in the athletic training profession at the School, State, or District level.

Nomination and Selection Process:

1. Nomination application must be completed and submitted electronically to the SDATA Honors and Awards Committee by deadline provided on application.
2. The SDATA Honors and Awards Committee will review all nomination applications submitted by deadline and a recipient will be selected.
3. The SDATA Honors and Awards Committee need not select a recipient every year.

CRITERIA FOR NOMINATION	
1.	Must be enrolled at an institution of higher education with an accredited athletic training program in South Dakota
2.	Must be nominated by a faculty member from the athletic training education program
