

SDATA Athletic Training Educator of the Year Award

The purpose of this award is to recognize an athletic training instructor or preceptor for their outstanding dedication to the development of athletic training students and the profession of athletic training.

Nomination and Selection Process:

1. Nomination application must be completed and submitted electronically to the SDATA Honors and Awards Committee by deadline provided on application.
2. The SDATA Honors and Awards Committee will review all nomination applications submitted by deadline and a recipient will be selected.
3. The SDATA Honors and Awards Committee need not select a recipient every year.

CRITERIA FOR NOMINATION
1. Must work at an institution of higher education with an accredited athletic training program or serve as a preceptor/clinical instructor for accredited program
2. Must be a SDATA member
